General Testimonials from Parents

"babyballet is a great way of encouraging children to be active through movement and music, it also promotes interaction with other children from a young age. It's enjoyable for me as a parent to see my daughter gain confidence and have fun in a friendly environment." James Hooten, Sam Dingle in Emmerdale and daddy to Lily.

"I thoroughly enjoyed the class - I've been raving on about it to

everyone saying I can't wait until Lily can start one of the baby

classes. Fingers crossed we'll be able to get her into the Leeds

Babyballet classes. It was lovely to meet you, and like I say we really enjoyed coming

along to see all the little darlings having so much fun. Eliza x." Elisa Hilton, Presenter, The Pulse Radio, West Yorkshire

"I'm really surprised how suitable the classes are for boys as well as girls. The difference in my child's coordination and confidence in such a short time is unbelievable. As a dad I thought I would feel a bit awkward in the classes but I was relieved to see lots of others dads there and everybody made us feel very welcome. Thank you babyballet!" Eorl Crabtree, Huddersfield Giants and Nephew of 'Big Daddy'

"Twinkle the babyballet Bear came to Emilia's Christening to entertain the children. It was a magical experience and the children are still talking about it!" Kerry Potts, Halifax

"Thank you for a FANTASTIC party - you made Charlotte and I feel really special. My daddy hadn't been to babyballet before and he thought it was great!" Love Zac (aged 3)

" Just a little note to say thank you for an excellent birthday party for Eve who was 5 on the 12th May 2007. The Pirates and Princess themed room was amazing and the party games and disco were fantastic. The party food was the best we have ever seen and all the children really tucked in. Thank you to the fairy for making an appearance it really made Eve's day. Finally thanks for the party bags. All the children thought they were great and they were really thrilled with their pressies. We really can't say thanks enough, but thanks because it was FANTASTIC!" From Julie, Andy and Steve

Testimonials from Franchisees

"Becoming part of the babyballet franchise network has been both rewarding and enjoyable. We never imagined our classes would grow so quickly and receive such a fantastic response. Parents are more aware of promoting a healthy active start for their children and babyballet is a great fun introduction to structured physical activity. To see how responsive the children are within the classes and to know we are a highlight of each child's week is a reward within itself.

The support and guidance from head office has been second to none and as a result we have a thriving business. We are proud to be part of such a successful company.”

Nancy Lucas & Rachael Gascoigne-Higgins, Bradford North Franchisees.
